École Notre Dame Elementary School's Cereal Box Dominos

With 240 boxes of cereal collected, École Notre Dame Elementary had plenty of donations to work with when building their Cereal Box Dominos.

Starting at the library, the cereal boxes lined the front entryway, down the hall, and around two corners before coming to an end.

Students cheered as one after another toppled over on November 5.

Nicole Mitchell from the Bonnyville Friendship Centre was on-hand to accept the donation.
