

LCSD BOARD

FEBRUARY 2022

SPOTLIGHT

Mental Health a priority

Through Lakeland Catholic's Mental Health Matters Campaign, the division is focusing on student's mental wellbeing. Part of the campaign included a poster design contest with the theme: Bullying Awareness. The winners, two Dr. Bernard Brosseau students, will have their poster designs displayed in all LCSD schools.

Skateholder Engagement Session scheduled

A Virtual Stakeholder Engagement Session has been scheduled for February 24.

From 6 p.m. to 7 p.m. members of the public are invited to join the Board of Trustees, LCSD senior staff, Superintendent Pamela Guilbault and Deputy Superintendent Chantel Axani.

The focus the virtual session is to gather feedback on Lakeland Catholic's 2022-23 school year priorities.

LCSD committed to student success

Lakeland Catholic continues to put students first. During a presentation made to the board on curriculum, Superintendent Pamela Guilbault told the board how the division has committed just shy of \$1-million toward intervention in literacy and numeracy for students in Grade 1 to Grade 3.

Pull-out intervention is being offered to students who need it in both English and French Immersion.

Testing done by the division has shown students involved in this program are already seeing significant growth in these areas.
