Superintendent's Report - January 2022

Bell Let's Talk Day

On January 26, staff and students across the division participated in Bell Let's Talk Day. The day is about spreading awareness and reducing the stigma surrounding mental illness.

As part of the day, staff and students shared words of encouragement for those struggling with their mental health.

Literacy Day

Virtual reading sessions with the Bonnyville Jr A Pontiacs and Cold Lake Ice were the highlight of this year's Family Literacy Day.

Players read to students and answered questions relating to the story and about their love of hockey.

Poster Contest

Students submitted their designs for the Mental Health Matters Campaign Poster Design Contest. The winner was announced at the beginning of February. Visit Ircssd.ca to view a photo gallery of all of the entries and to read the full news release.

Improving Ventilation

Our division shared the news with families that we are improving ventilation at all of our schools through the installation of MERV-13 air filters.
