This aligns with Goal Two and Three of Lakeland Catholic's Education Plan: Student Success and Equity and Inclusion.

Wellness Walk

Lakeland Catholic held its first Mental Health Matters Campaign Wellness Walk on April 27. Due to inclement weather, some schools had to postpone to April 28.

The event encouraged staff and students to take the time to step outside and think about what personal mental wellness means to them.

The Wellness Walk demonstrates the division's third goal in the Three Year Education Plan: Equity and Inclusion, through the outcome students are supported academically, socially, and emotionally for optimal wellbeing.

Stakeholder Engagement

The division wrapped up another year of stakeholder engagement after the final virtual session for the 2021-22 school year.
